1. I, Yahalom Cohen©, of Tel Aviv-Yafo, [Near 5432836, Israel], do solemnly and sincerely affirm and declare that;
2. I am a private living sentient being and claim my divine essence with absolute dominion and suveran authority over all that I am and all that I create. I am the one true living owner of my body, mind and soul.
3. I claim my divine creation approximately nine months prior to the day I was born. I declare that I am the owner and operator of my body, vessels and persons on Earth from the moment of creation, together with all DNA and all substance matter in any way associated with me and my incarnation inherited through my family lineage. I accept my divine origin and all honour, right and title to, and all material interests I am owed.
4. I have been mischaracterised by the Respondent and presumed to be lost at sea, when in truth, I am alive, in good health, and for the record conveyed as permanently domiciled on the Land and Soil of Eretz Israel, as a Eretz Israel State National.
5. I am retired from any and all assumed and presumed public roles and/or responsibilities within all foreign occupying government, agencies and affiliations, having retired from ISRAELI Citizenship. Such roles were imposed upon me, without full disclosure, and thus without legitimate consent.
6. The occupying government, calling itself "STATE OF ISRAEL", and by association, the Respondent, is in flagrant violation of the Palermo Protocols established to prevent, suppress and punish any "Trafficking in Persons". Trafficking in Persons is "the recruitment, transportation, transfer, harbouring or receipt of persons, by means of the use or threat of force, or other forms of coercion, of abduction, of fraud, of deception, of the abuse of power, or of a position of vulnerability, or of the giving or receiving of payments or benefits to achieve the consent of a person having control over another person, for the purpose of exploitation...". The Respondent is on notice that any further violation of the Palermo Protocols is done so knowingly, willingly, wittingly and intentionally.

7. The Respondent is using and abusing my names without my knowledge or consent, also known as unlawful conversion and kidnapping of assets on paper. Such criminal action converts the nature of an asset from living being to a corporate franchise, as well as the jurisdiction in which it operates.
